

Gene Expression Center GenePix 4000b Use and Scheduling policy

The GEC reserves first right to equipment use (Gasch Lab exception only), and in the event of a conflict you will be contacted.

When scheduling time please include your name, P.I.'s name, number of slides, and phone # where you can be contacted at, in the "What :?" Field for Google Calendar

Allocate 30 minutes per slide, and indicate the number of slides to be scanned on the calendar. If you will need to use the scanner for more than 4 hours in a single day, please contact the GEC before scheduling.

Please be sure you have selected the correct calendar when signing up. Your personal Google calendar is generally the default calendar selected.

If a user is more than 15 min late, your time slot is subject to forfeiture.

Abuse of scheduling and inappropriate use of instrumentation may result in revocation of instrumentation access.
